

MISSION HILLS POST

DECEMBER 2019

FROM THE DESK OF JOE BOOTH

The Board of Directors want to wish every resident and their families a happy and enjoyable Christmas Holiday.

We hope you have noticed that all the buildings have been power washed by our maintenance department. This has spruced up the appearance of our units. And brought out the color. This will save us from having to do any painting in the near future. We can continue to build up that reserve account.

You will notice our continued efforts to repair and replace our carports and roofs. John has developed a focused plan for this. It is a work in progress and vital to the maintenance of our property.

We have had issues with the TV in the lounge. Too many people do not know how to operate the fobs, they have messed with the connections, and as a result have caused problems with the service. This requires us to bring Spectrum out and they charge us for the call if the issues are not their problem. If you do not know what you are doing...do not mess with the equipment. Or ask someone who does. If we have to keep paying Spectrum to correct issues we will just not be able to offer the TV service.

We have seen that some residents have painted the sidewalks in front of their unit. This is not allowed by the documents. This is common area. It is a violation that the resident will need to correct at their expense. Please remember...any changes to your unit should be approved by the Board. No changes to the common area are allowed unless they are approved by the Board. Simply come to the office and ask for direction. Its that simple.

We will no longer allow anyone to "borrow" tables or folding chairs from the clubhouse. We are missing some tables and chairs that have been "borrowed" in the past. If you have any information on these "borrowed" items...please contact the office.

FINANCE REPORT—JOE BOOTH

Reporting for the period ending 10/31/19, we are over budget YTD by \$79,000. We had unexpected and unplanned expenses. We may be recouping some of this by the end of the year.

Revenue for the month is under by \$19,300 and year to date \$6300. We are over budget for non operating expenses month to date by \$14,200 and year to date over \$72,712.00

Our list of delinquencies is as low as it has ever been so we are on top of that.

Thanks to the scrutiny of Ameritech and the Board. It's important that delinquencies are aggressively pursued by the Board each month.

Our financial health is dependent on enforcing the rules of the Association for the most part. Violations cost money to us and to our residents. It is vital that whoever is on the Board has a decent understanding of financial management. The Association is in good financial health as evidenced by our financial reports.

Going forward we have to plan and prioritize the projects that are ahead of us.

Roads, finishing roofs and carports, sewer and water lines, painting. We need to exercise prudence in how we will spend the monies.

NEIGHBORHOOD WATCH—MIKE PHILBIN

It took the return, setting back our clocks, some cool weather and the remarks of by a Clearwater Police officer to remind us why we choose to live in Mission Hills.

The time change shift is not subtle. It's really dark at 6 - 6:30pm, so when you use the Clubhouse to enjoy any of its many activities, you'll likely see a Neighborhood Watch volunteer slowly driving around with a flashing light, a major way to discourage crime and driving over our posted 20 MPH speed limit.* Mission Hills was recently mentioned as a "safe community" by a Clearwater Police department spokesman. That's high praise, and we'll take it! Oh! And on the "cool weather" comment?.. It's December! Living in Mission Hills gives you access to a heated swimming pool!

It's that time of year! If you're buying gifts, maybe it's time to buy one for yourself and your community! We're always encouraging everyone to leave your front light on all night because well-lit areas really discourage criminal activity. If everyone would leave their front light on, prowlers looking for dark areas to make their "work" easier probably would "x" out Mission Hills! It's a cheap and very effective crime prevention effort, and more easily available, thanks to your Neighborhood Watch. There is an automatic device for most existing light fixtures that turn the light off or on. I found one at Lowe's for less than \$10, pretty cheap protection. If you want this and can't get out to buy one, call me at 727 796 3191.

Let's enjoy this Holiday Season. If you're having guests, please tell them about our rules regarding the pool, PARKING, pets, our fun stuff..BINGO, cards, movie nights, patio parties, cornhole tournaments(!?), ..

Make sure you know everyone who comes to your door for any reason! The "scammers" are out there, so be careful. If you see or suspect any criminal activity, call 911...don't be shy or afraid to do that, the Police are used to it and you don't have to get involved. Lock your car, and especially... do not leave packages or purses on the car seat! And, yes, ..If you're expecting anything to be delivered by Amazon, etc., if you're not going to be there

BOOSTER CLUB MISSION STATEMENT AND UPDATES

(Submitted by Ruth Schulder, Booster Club President)

The purpose of the Booster Club (the Club) is to sponsor social and fund-raising events to benefit the residents of Mission Hills. Friendship, cooperation, enjoyment and working together are the basis of the Club. It is our obligation to extend a friendly hand, and to be honest and sincere in our dealings with each other.

+++++

Greetings and Salutations to all of Mission Hills!

Many already know that we had to remove the grill from the kitchen for insurance reasons. We were in the process of getting quotes to fill in the space when Pat and Barry Loretto were kind enough to donate a new stove. We are so grateful for this donation. Thank you, Pat and Barry.

November is a packed month with the following already on our schedule:

The Holiday/Christmas Fair was a huge success. I hope everyone that attended enjoyed themselves. Thanks to everyone that worked hard to make this event successful. A special thanks to all that assisted with set up and clean up. You are valued for your work both behind and after the scenes.

I hope you had the opportunity to attend our annual Veteran's Day Ceremony, held on November 10. Thanks to Girl Scout Troop 901 from Clearwater. The Girl Scouts acted as our Honor Guards for the day and did an outstanding job. Also in attendance was Gary Gilchrist who gave a short discussion on the Honor Flight Program. All present enjoyed coffee and apple cider from the Booster Club. Also served were donuts donated by Brenda and John Ferguson. Thanks Brenda and John. And, thank you Helen for your donations of flags and pins given to each Veteran represented.

We are all looking forward to our Thanksgiving Dinner to be held on November 24, 2019 @ 4PM. Featuring food from Our Place in Dunedin.

NOW YOU KNOW

The package of information regarding the complete details regarding **COMPLIANCE** had been published in the April, 2019 issue of our Mission Hills Post (repeated below).

The functions of a Compliance Committee as it is written in the **Florida State Statute 718** were clearly outlined.

Since you are now armed with that information, this would be a perfect time for you to become a part of something very **positive** for Mission Hills.

All interested residents are requested to write their name and phone number on a slip of paper, place it in a sealed envelope and label it "Compliance", ATTN: Kay Hunt. Drop it in the office mail slot and you will be notified of an interview date and time.

**Remember: you are not required to be a full-time resident.
You must, however, be an owner.**

You have the laws .. now let's form the order!

COMPLIANCE COMMITTEE AND HOW IT FUNCTIONS

Our Management Company, Ameri-tech, tours our community and notes violations of our By-Laws, the Declaration, or the Florida State Statute 718. The results of this initial survey are given directly to the Mission Hills Board of Directors.

So what, then, is the role of the Compliance Committee?

Chapter 718 Florida Statutes (718.303(3)(b), dated July, 2018, states, in part that "A fine or suspension levied by the board of administration may not be imposed unless the board first provides at least 14 days' written notice to the unit owner and, if applicable, any occupant, licensee, or invitee of the unit owner sought to be fined or suspended, and an opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, or employee. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the board. If the committee does not approve the proposed fine or suspension by majority vote, the fine or suspension may not be imposed."

The preceding paragraphs are key to understanding the role of a Compliance Committee. The committee does not search the community for violations, report violations to the board, nor determine what a fine will be. What the committee does do, if requested by the resident(s) is to meet with him, her or them and review the situation and decide whether the fine proposed by the board is fair and reasonable.

We would like to extend our condolences to the family and friends of Mary Friend who passed away on November 4, 2019. God Bless.

IF YOU COME ACROSS SOLICITORS AND YOU ARE CONCERNED. PLEASE CALL THE "NON EMERGENCY" NUMBER FOR THE CLEARWATER POLICE. 727-562-4242.

THERE WILL BE NO MORE LOANING OUT OF TABLES OR CHAIRS FROM OUR MISSION HILLS REC HALL. PEOPLE HAAVE BORROWED AND NOT RETURNED.

PLEASE DO NOT TAKE ANY OUT THE BUILING!

THANK YOU....

The Mission Hills Color Enhancement Team

There will be no Color Team Meeting in December. The Board is not making any new decisions now and there is no new business/plans that need to be discussed by the Team at this time. We are waiting for the Board to start meeting again and making decisions for 2020.

So, keep watching the MH Post for further notices of upcoming Color Enhancement Team Meetings for 2020.

Have a wonderful Holiday Season.

We want to thank all of our thoughtful residents who out did their contribution this year and so generously donated boxes of cereal that was collected during the first two weeks of November. A large appreciation to those of you who brought many boxes and of you residents who returned more than once with more cereal to add to the collection.

They were collected for the Metropolitan Ministries Food Pantry in Tampa which is in great need for all food.

We are so fortunate to be in a Community that displays such a giving heart!

We have so much to be thankful for.

May God bless you for sharing with others.

COME ONE ... COME ALL

Your Mission Hills Documents Committee holds regular meetings on the 1st and 3rd Friday of each month at 2:30PM. We invite our residents to come out, audit a couple of meetings and learn for yourselves the detailed process that we follow as we research our By-Laws, our Declaration, our Articles of Incorporation, and the Florida Laws under State Statute 718.

After we complete our business, we will be available for any questions that you might have regarding the documents. If we can't answer your question(s) at the time, we will be happy to do the research and get back to you... a win/win!!

We look forward to seeing you!

ALL MISSION HILLS VETERAN'S AND NON-VETS ARE INVITED

Who are Bob's Vets?

We are a private group of individuals, most of whom are military veterans, their families and friends, who meet weekly to share memories and camaraderie while enjoying breakfast at a participating Bob Evans Restaurant.

We are not affiliated with Bob Evans Restaurants. We have chosen to meet at several of the Central Florida restaurants, and appreciate the support provided by Bob Evans. We do not represent Bob Evans' organization and they do not represent Bob's Vets.

Rides to Airport...

Hi Ladies,

Would you like to participate in a small group of women who meet once a month to encourage and lift each other up? If so, you are welcome to join us. We call ourselves, "Women of Hope." We meet at 2959 Flint Dr. S on the last Tuesday of the month at 6:45 PM.

We all have good and difficult seasons in life, and maybe you are experiencing an emptiness or void in your life today, or maybe you are in a good place. Whatever season you are in, we would love to have you to join us as we encourage each other in the hope we have in the Lord.

Wishing all my friends and family in Mission Hills a Wonderful Christmas and a Happy 2020.

Gerri Downs

It's that time of the year that I will be putting up the Angel Tree in the clubhouse living room...

For over ten years Mission Hills has been a great support to this worthy cause...They help so many of our local needy people and in Pinellas County only. Please consider taking an Angel Envelope and helping again this year. They tell me that Mission Hills has been so generous and I hope that continues this year too.

If you have any questions give me a call at 727 796 4693
