Mission Hills Post

BOARD REPORT

By Eudora Partridge, President

May has arrived! The Clubhouse is open and we are back to having some sense of normalcy. I am glad to see that there are more residents using the Clubhouse, playing cards, using the exercise room, shooting pool and, of course, bingo. We must continue to follow CDC guidelines, wear a mask, and social distance.

The pool is open to you and your guests. Please follow pool rules. Pool chairs and lounges have been ordered. I am having them held until the pool is reopened. When we close the pool in July for the equipment upgrade, we will be giving the old chairs and lounges to any one who would like one.

The community projects are coming along. Phase IV water pipes have been completed way ahead of schedule. The roof replacements are also finishing up.

I would like to remind all homeowners that at the end of April, your assessment must be paid in full. We have collected almost all of the money. I want to thank everyone who has paid already for your support in keeping Mission Hills our own piece of paradise.

With our winter residents leaving soon, please make sure that your patio items are put away, your water is shut off, and you have someone checking the inside of your condo weekly to avoid unexpected surprises.

Stay healthy and safe, Mission Hills. We are all in this together and, with everyone's cooperation, we will get through this and stay a healthy happy community. ★

FINANCIAL REPORT

By Regina Hickey, Treasurer

It's hard to believe the first quarter of 2021 is over, and we are still dealing with COVID (ugh). That's why it's so nice here in Mission Hills. It's usually quiet and we are blessed with good neighbors.

Our March income was \$211,297, and our expenses were \$203,998. We were under budget \$7,299 for the month of March. As of March 31, 2021 year-to-date, we are under budget by \$31,032.

Just a reminder: Assessments are to be paid in full by April 30, 2021.

As always, if you have any questions, please feel free to contact me. ★

NEIGHBORHOOD WATCH

By Susan Salesses

Just a few reminders this month. Area children will be out of school at the end of May. Be sure to keep those cars and bicycles locked! Several residents in the Flint Drive area reported seeing a hanger that was turned into a long wire on the ground by a carport. This is a sign that someone may have been trying to break into a car. Be alert. If you see anyone suspicious, please call the Clearwater Police at 727-562-4242 to come and check it out.

This is also a good time to remind you to keep those front lights on all night. I still have dusk to dawn lights for sale. Many residents who have purchased them are very happy with them and they are nice and bright so they light up your whole front area. When most of a six pack, or all of a six pack is in the dark, it is just an invitation for people to sneak by. With many residents heading back north we need to keep an eye out on our neighbor's area.

Lastly, we are very happy to welcome LeeAnn Koffman to our Neighborhood Watch team. We thank everyone on the team for the time and effort they put in to keeping Mission Hills the safe place it is.

Have a great month!!

HAVE YOU HEARD THE NEWS?

Your Documents Committee has just reached its final goal! Yep, all the efforts, the homework, the research, and the drive of this committee have finally paid off.

After 5 years, we are happy and proud to say that our Mission Hills documents, our website, and all our Policy and Procedures are not only current, but they are posted for our residents to access! Just go to missionhillscondos.org and they are right there!!!

Through a combined effort with Debbie Higgins and Ameri-Tech IT, you are now able to research our finances, bids and quotes, and all the other good stuff that makes The Hills such a great place to live. You must be logged in to view most of these documents, which is an easy process that has been repeatedly discussed in the past.

No computer? No worries!! We have also created hard copy manuals that are located in our Mission Hills office. Now everyone in the Hills has full access to ALL our documents – YAY!!!

Because of this milestone, your Documents Committee is in the position to meet only after the Florida State Legislature passes new laws. They are currently in session and reviewing numerous house bills as we speak, but on July 1st of each year, new laws show up on the books. At that time, your Documents Committee will review those to determine which, if any, have a direct impact on our various documents.

Remember, though, just because we won't be meeting as frequently doesn't mean that our residents shouldn't reach out to us for assistance. We are here to help with any questions and/or concerns regarding our documents. Always feel free to contact us by reaching out to Helen at 609-706-7214 or via e-mail at vetnerz2@gmail.com.

E-MAIL BLAST

Submitted by Helen J. Strupczewski

So, have you ever wondered how some people seem to know what's going on in the Hills? Simple! They are part of an E-mail Blast that gets sent out every so often. These e-mails contain updates of some community events, deadlines, reminders of meetings, seminars, etc.

Would you like to be part of this blast? Well, all you have to do is send your e-mail address directly to Helen at vetnerz2@gmail.com, and I will add you to the e-mail blast address book.

That's all there is to it! Stay in the loop...join the E-Mail Blast!!

SEMINAR TEAM

Submitted by Helen J. Strupczewski, Pat Loretto and Joe Booth

What a tough year, right? But guess what? Your Seminar Team has been successful in working around the obstacles by presenting a few really great seminars for all to enjoy!

We also have two "newbies" that we will be reaching out to for next seasons offerings, so stay tuned. As always, these seminar presentations are for ALL of our Mission Hills family. If you have any suggestions for what you'd like on next year's schedule, contact any one of us...we will be happy to hear from you!

Thanks go out to Joe Booth, Pat Loretto and yours truly for a job well done!!!

Mission Hills Diamond in the Rough

Submitted by John Prokopovich
Facilities Maintenance Supervisor

Greetings!

Well it's that time of the year – hot and humid – and Gatorade as always is appreciated.

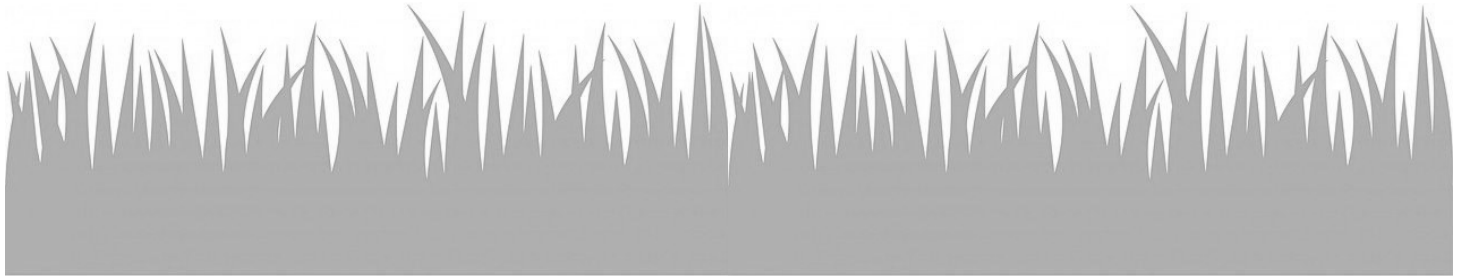

Phase IV hot water line replacement has been completed weeks ahead of schedule. Thank you to the residents for your patience and understanding.

We had a large consumption of water in Phase IX last month. Please make sure when you leave for any length of time to shut the water off. You would not believe how much water goes down the drain from a running toilet.

All 520 palms have been trimmed.

Our roof replacements are coming to an end. I would like to thank the residents for your patience and understanding during these times of back orders, shortages and sickness.

~ Life is short...smile while you still have teeth. ~

RED HAT PROGRAM PURPLE PASSION LADIES

Submitted by Theresa Buckley

Do you know that there is a very special service organization here in Mission Hills?

Here's how it all came about.

I heard about the Red Hat Program. It was becoming very well known and sounded interesting. Bobby O'Connor and I decided to look into it. Letters were mailed to California, and we received all the information we needed. Then we set up a meeting date to see if there was any interest in Mission Hills.

February 3, 2003, 35 other residents showed up. Out of those 35, a total of 30 ladies signed up to participate in the organization. We decided to name the group "The Purple Passion Ladies."

We went to various venues in the area to hold our monthly meetings. The Raymond James Art Gallery was a favorite, so were the two cruises along the Intercoastal, where they enjoyed luncheons along with the tour. Then there was breakfast at Shepard's, visits to the Tea Room,

and shopping excursions to Tarpon Springs. On top of all this, our group enjoyed luncheons at some of the many fine restaurants in our area.

This has been a wonderful journey, and now there are a total of 23 members who still meet on a monthly basis, with each affair hosted by one of the current members. At the end of each year, we make donations to a shelter for abused women.

In our ranks are still some of the original 30 members, like Joanne and Mary Dunn, Barbara Ehrlich, Carolann VanWuychuyse, Mary Ann Sheehy and myself, Theresa Buckley.

This is truly a fun group of ladies. The luncheons are a blast and the various excursions are completely enjoyed by the whole group. Top that with our generosity every year, this is a win/win organization that is open to all of our Mission Hills ladies.

Come out and join in on the fun, friendship, and camaraderie...once we can get back together. In the meantime, you can reach out to Maryann Sheehy, President, or Helen J. Strupczewski, Vice President. ★

PIZZA PULL-APART BREAD

A Facebook recipe submitted by Helen J. Strupczewski

Here is a quick and easy recipe for you to try. Our daughter-in-law, Melissa, made it for us the last time we were in VA. So darned yummy!

INGREDIENTS:

- 2 14 oz. cans of Pillsbury Pizza Dough (you can use Grand Biscuits)
- 2 cups shredded Mozzarella Cheese
- ½ tbsp. Basil Leaves
- ½ tsp. dried Oregano
- ½ tsp. fresh Garlic, minced
- 1/3 cup Olive Oil
- 1 8 oz. pkg. of Pepperoni, cut into quarters
- 1 cup Parmesan Cheese

INSTRUCTIONS:

1. Preheat oven to 350 degrees.
2. Spray Bundt pan well.
3. Cut pizza dough or biscuits into quarters.
4. Add all the ingredients in a bowl and toss, so the oil is spread evenly on each piece of dough.
5. Bake in oven for 30 minutes (or until the top is and center is cooked).
6. If the middle is not cooked thoroughly after 30 minutes, leave it in oven for another 5 minutes and recheck; repeat until it's done.
7. Remove from oven and let rest for 5 minutes.
8. Flip over onto a plate and serve with marinara/pizza sauce for dipping. Enjoy!

We're still looking for any other "Chef Boy-R-Deez" in the Hills...send us your favorite recipe(s) to Helen at vetnerz2@gmail.com.

INTERESTING BIT OF HISTORY

Who was Hayim Solomon?

On the rear of the One Dollar bill, you will see two circles. Together, they comprise the Great Seal of the United States. The First Continental Congress requested that Benjamin Franklin and a group of men come up with a seal. It took them four years to accomplish this task and another two years to get it approved. If you look at the left-hand circle, you see a Pyramid.

Notice the face is lighted, and the western side is dark. This country was just beginning. We had not begun to explore the west or decided what we could do for Western Civilization. The Pyramid is uncapped, again signifying that we were not even close to being finished. Inside the capstone you have the all-seeing eye, an ancient symbol for divinity. It was Franklin's belief that one man couldn't do it alone, but a group of men, with the help of God, could do anything.

'IN GOD WE TRUST' is on this currency.

If you look at the right-hand circle, and check it carefully, you learn that it is on every National Cemetery in the United States. It is also on the Parade of Flags Walkway at the Bushnell, Florida, National Cemetery and is the centerpiece of most hero's monuments. Slightly modified, it is the seal of the President of the United States, and it is always visible whenever he speaks, yet very few people know what the symbols mean.

The Bald Eagle was selected as a symbol for victory for two reasons: First, he is not afraid of a storm; he is strong, and he is smart enough to soar above it. Secondly, he wears no material crown. We had just broken from the King of England. Also, notice the shield is unsupported. This country can now stand on its own. At the top of that shield, you have a white bar signifying Congress, a unifying factor. We were coming together as one nation. In the Eagle's beak you read, 'E PLURIBUS UNUM' meaning, 'one from many.'

Above the Eagle, you have the 13 stars, representing the 13 original colonies, and any clouds of misunderstanding rolling away. Again, we were coming together as one. Notice what the Eagle holds in his talons. He holds an olive branch and arrows. This country wants peace, but we will never be afraid to fight to preserve peace. The Eagle always wants to face the olive branch, but in time of war, his gaze turns toward the arrows. They say that the number 13 is an unlucky number. This is almost a worldwide belief. You will usually never see a room numbered 13, or any hotels or motels with a 13th floor. But think about this: 13 original colonies, 13 signers of the Declaration of Independence, 13 stripes on our flag, 13 steps on the Pyramid, 13 letters in, 'Annuit Coeptis,' 13 letters in 'E Pluribus Unum,' 13 stars above the Eagle, 13 bars on that shield, 13 leaves on the olive branch, 13 fruits, and if you look closely, 13 arrows.

And finally, if you notice the arrangement of the 13 stars in the right-hand circle you see that they are arranged as a Star of David. This was ordered by George Washington who, when he asked Hayim Solomon, a wealthy Philadelphia Jew, what he would like as a personal reward for his services to the Continental Army, Solomon said he wanted nothing for himself but that he would like something for his people. The Star of David was the result. Few people know that it was Solomon who saved the Army through his financial contributions but died a pauper.

Ask people, "Why don't you know this?" Your children don't know this, and their history teachers don't know this. Too many veterans have given up too much to ever let the meaning fade. Many veterans remember coming home to an America that didn't care. Too many veterans never came home at all.
