# Mission Hills Post

## BOARD REPORT

By Eudora Partridge, President

**W**ell, the Hills are getting hot, and I must leave for my home state of New Hampshire. I will miss walking the streets of Mission Hills and seeing residents that live here year round, and I will see you in September. Thank you for letting me serve as President of the Board. Even though I am not here, I am in contact with John, Sue, Jim, and the rest of the Board, and I can handle anything that comes up from afar.

As I stated at the May Board meeting, we are changing the way we handle big items you no longer want. The second and fourth Tuesday of each month, between 9:00 AM and 12:00 PM, Chad will be at the dumpster area to take any items you wish to dispose of. If you have a contractor doing work in your condo, he needs to dispose of anything he removes. It cannot be taken to the dumpster. Please do not put anything by the tall cans. Chad will not be picking up anything there. You need to wait until the appropriate days mentioned in this Post.

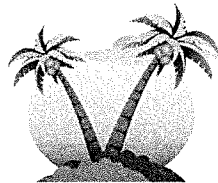

Whoever left the black sofa at the tall cans in carport 21 on Arrowhead Circle needs to remove it immediately. This is not and has never been authorized.

I also want to mention that being a good animal owner means you follow the rules. This means you keep your animal on a leash at all times and not just when you think someone is watching. You also pick up your dog's business; don't leave it for the maintenance team to do.

We will not be holding any Board meetings in June, July, or August. We will reconvene meetings in September. We will also have a Town Hall meeting in October; details will follow in a future Post.

Have a great summer! ★

*Stay healthy and safe,  
Mission Hills.*

# FINANCIAL REPORT

By Regina Hickey, Treasurer

**O**ur April finances are as follows:

Income:	\$227,583
Expenses:	<u>241,062</u>
Over Budget:	(\$ 13,479)

Budget is over for April due to increased maintenance costs, and we used funds early from carports while the contractor was able to get materials and labor.

We will not be holding Finance Team meetings for June, July, or August. You may view financial reports on our ePortal website or at the office.

Any questions about this report, please feel free to contact me.

## Results from the April Post Survey:

Putting Green:	50 Yes / 64 No
Pool Light:	50 Yes / 67 No
Community Garden:	56 Yes / 60 No

These results mean that we *will not* proceed with these projects.

I would like to extend a special thank you to Kathy Lipke and David Boyce for giving generously of their time to help several neighbors beautify the outside of their condos. \*

# NEIGHBORHOOD WATCH

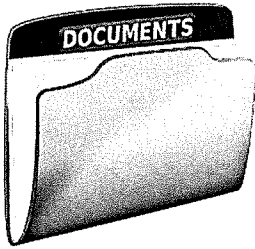

By Susan Salesses

**T**hankfully, your Neighborhood Watch team is happy to share that the streets of Mission Hills have been pretty quiet lately. We appreciate the way so many people are keeping their front lights on to help us see what is happening in the area of your condo. Keeping your lights on also assists emergency personnel in locating your condo and getting to your front door should you call an ambulance during the night. So, do continue to keep those lights on. If you would like to purchase a dusk to dawn LED light, they are available by calling Susan at 727-754-8421. The cost is \$5.

A reminder that the schools in the area will all be dismissed for the year by the time you receive the June Post. So, be on the lookout for teens who may be bored, and do be sure to lock up your bikes and cars. Be careful what you leave outside.

## DOCUMENTS COMMITTEE NEWS FLASH!

REMINDER: The Mission Hills Documents Committee has completed reviewing the Statute 718 for this year. We have also completed the two resident requests to review specific parts of our documents for possible approval of new proposed amendments.

We won't be holding a regular meeting through July 1<sup>st</sup> when the new laws are passed. We will then review Statute 718 to ensure that there is no direct impact on our documents. However, the Committee is always available to our residents to help them navigate our various documents, such as the By-Laws, the Declaration, our Policies and Procedures, plus any other issues that may arise. No need to guess or hear that

one neighbor said this while the other said that...just go right to the source and let us do the job we have volunteered to take on for our community.

If anyone does wish us to review any part of our documents for possible amendment, please follow the process found on our website under the Policy and Procedures section.

Feel free to reach out to us with any questions or issues

that you might need clarified. Contact Helen at [vetnerz2@gmail.com](mailto:vetnerz2@gmail.com)

## E-MAIL BLAST

Submitted by Helen J. Strupczewski

The E-mail Blast is alive and well here in our community. There have recently been computer/phone issues where only part of the address books were being sent, but I have since resolved those issues...I hope. LOL!

I do apologize to those who have not been receiving messages, and fingers crossed that we are all good to go!

All you need to do is send your e-mail address directly to me (Helen) at [vetnerz2@gmail.com](mailto:vetnerz2@gmail.com), and I will add you to the E-mail Blast address book. **That's all there is to it! Stay in the loop...join the E-mail Blast!!!**

***And here's another tip: Don't toss the monthly Post. It's always loaded with detailed information about the goings on of the little slice of paradise we call Mission Hills.***

## MISSION HILLS SEMINARS

Submitted by Helen J. Strupczewski, Pat Loretto, and Joe Booth

Our Seminar Team has completed their presentations for the season. We know that many of our planned sessions had to be cancelled for a variety of reasons.

We are happy that we have been able to present a few very informative seminars for our Mission Hills residents.

If you have a suggestion for any future seminars of interest, please reach out to us. Simply provide us with the name of the presenter and the subject matter. We can take it from there.

Thanks to all who attended, and we are hoping to be able to continue providing quality seminars of interest.

# Mission Hills Diamond in the Rough

Submitted by John Prokopovich  
Facilities Maintenance Supervisor

Greetings, Mission Hills!

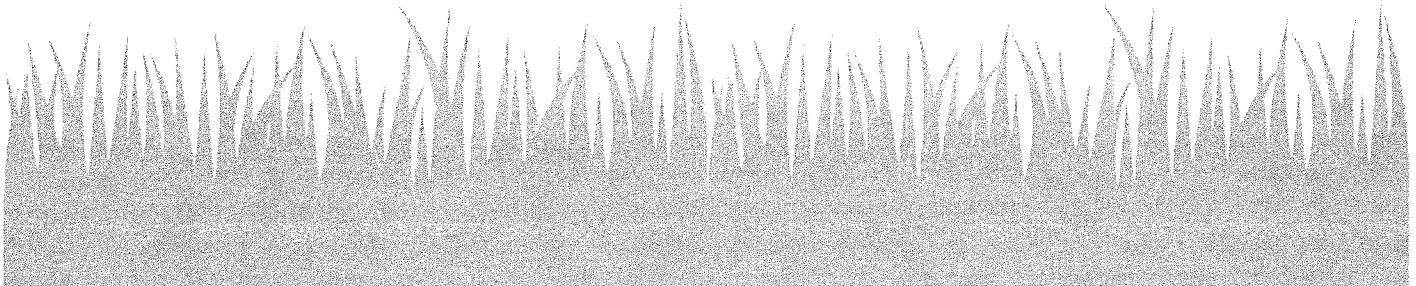

Here's what's going on in Mission Hills from the perspective of the Maintenance Department:

- ◆ The heat and humidity has arrived! Please keep in mind that we are heading into hurricane season, so have a plan in place.
- ◆ Landscaping throughout the community is being addressed. Trimming of all palm trees is complete.
- ◆ Carports are done for now. All are primed and painted and downspouts attached.
- ◆ Roofing materials have started to arrive and work will begin soon.

I would like to share some information about what is happening regarding pool companies. I shared at the May Board meeting that because of labor and material shortages, a lot of places are going out of business. But, have no fear. Our pool company has been in business since 1959, and is the largest one on the west coast of Florida. They are 65 percent commercial and buy directly from the companies that produce the chemicals. They have a waiting list of three months on commercial accounts that cannot use their pools, because their previous companies went out of business. These companies could not get the chemicals or the labor.

As a side note, when I met with the owner to discuss some opportunities for our pool, he shared with me that during the onset of COVID, he was one of the first people to get a call from our state government for direction. After our meeting, I left with a positive feeling that our own pool would be well cared for.

## Friends of Mission Hills

Submitted by Cheryl Acton

**H**ello everyone! I would like to introduce myself to those who don't know me. I ran for the Board this last election. Some questioned me about whether I lived in Mission Hills at this time, and the answer is a short...no! My husband and I do own two condos, and my mom lived in one of them. Therefore, I don't live there physically, but my memories and heart do.

Every one of those I spoke to love Mission Hills as much as I do and, for that reason, we would like to give back to the community.

There are a few of us who want to join the Unity in our Community! For that reason, we have a challenge for all of you called, "Knock on Your Neighbor's Door." We have volunteers that can help with basic chores for those who, perhaps, can't leave the house or need to take care of basic errands, or some may need assistance from the local pantry, etc. This will be totally confidential.

One of our dear friends of Mission Hills, Helen Maggaro, who also ran for the Board, stepped up to help those that need help. Some of you already do it, but if anyone that is not doing it would like to help, you are also welcome to assist Helen on the "Knock on Your Neighbor's Door" challenge.

Please call Helen Maggaro at 727-410-0344 and leave a message; she will call you back as soon as possible.

Remember, this is not a maintenance phone number...this number is just for assistance on what is described above. You may also send an email to [friendsofmissionhills@gmail.com](mailto:friendsofmissionhills@gmail.com). Thank you for your kind attention.
